

What to wear?

Sometimes people wonder how they are expected to dress at a church they have never visited before.

Since the Bible presents no dress code, aside from simple decency, Holy Savior doesn't make any rules either. Like most people, our members try to make their worship time at church a special time. This is often reflected in the way they dress.

But dress is a personal matter of worship before God. One may dress casually and rejoice that we have a God who accepts us as we are. Another may dress to reflect the awe and reverence we have for our Savior King.

On any Sunday at our church, you may see running shoes and high heels, jeans and suits, open collars and ties. When a person dresses out of love for God, the choice of casual dress or more formal is acceptable to God...and us.

What to do when I get here?

When you walk into the foyer, most times, you will be welcomed by our greeters who will be able to our worship space, answer any questions that you have or help direct you to someone can assist you. You can also approach the welcome desk for assistance.

Our worship space (*sanctuary*) is to the right and down the short hallway. There is no assigned seating during worship so please sit anywhere you wish. After you find a seat, please take a moment to complete the Connection Card that you'll find racks in front of you. The card is a way for you to communicate with us a little more about yourself and any particular questions, needs, or prayers. If you have a special prayer request that you'd like us to pray about during worship you can fill out a yellow prayer card and place it in the offering plate when it is passed around.

Can I bring my child?

We welcome children of all ages to Holy Savior and we have a playroom on the left side of our worship space where parents can still listen to the worship service while watching their child.

How do I become a member at Holy Savior?

If you'd like to make Holy Savior your church home you can indicate your desire on the Connection Card or call the Church office. We will help guide you through, this process tailoring it to you, according to your faith background and experience.
